

Green Bowl

Green Bowl is an environmentally safe, all purpose bathroom cleaner. It tackles the toughest cleaning jobs, including soap scum, heavy dirt, rust stains, lime scale, mould and mildew. It is made with mineral and organic salts, and will not corrode any surface.

ATTRIBUTES

Biodegradable, it can be used in a wide range of industries and facilities. **Green Bowl** is non-toxic so can be used for general purpose cleaning of bathrooms, showers & locker rooms.

Non-toxic and non-Hazardous **Green Bowl** is great for cleaning sinks, baths, urinals and all domestic surfaces. Non-Flammable and non-corrosive, **Green Bowl** can also be used to remove lime scale deposits. Made from non-carcinogenic materials, use it on pumping equipment to help make it run at peak performance. With 100% Water Soluble efficiency it can be used with re-circulating pumps to clean pipes and systems clogged with lime.

Green Bowl is safe on many surfaces; Copper, Formica, Granite, Iron, Stainless Steel, Marble, PVC, Glass, Porcelain, Slate, Leather, Titanium, & Rubber.
