

Renaissance is a neutral carpet shampoo and spot cleaner that cleans, removes stains, protects, and deodorizes all in one application.

Renaissance is guaranteed to remove any stain except paint, rust, and permanent dye. Safe on any type of carpet, and also removes animal stains, including urine. Spray on or apply directly to the spot, then with a damp terry cloth, wipe with a 5 or 6 inch motion in both directions until spot lifts. Wipe off with a dry cloth. This leaves no rings, no residue and your carpet will remain soft and bright. If in doubt, check for colour test. Of course the success with which a stain can be removed depends on the length of time it has been in and whether or not another chemical has been used previously on the stain. For stubborn stains use undiluted.

Renaissance is fast, safe and economical. It cleans carpets instead of merely washing them. Works well with bonnet scrubbers, extraction machines, or by hand application.

Renaissance Carpet Extraction Cleaner cleans, protects, deodorizes, and removes stains all in one application. It is safe on all types of carpet and upholstery.

Renaissance is made with 100% all natural ingredients. This perfect blend reduces future soiling, wear, and damage to the carpet.

ATTRIBUTES
